

Sweet Elegance

Choosing Your Cake Design

When Liroan Kochlany was married, her wedding cake was taller than the groom. The cake reached almost to the ceiling of the reception hall, and included a 17-inch layer, a gold fountain with cascading water, a 16-inch layer, a 14-inch layer, an aquarium with two live fish inside, a nine-inch layer, a two-inch layer and two arched swans made of sugar.
